

## Who We Are

Headquartered in Midland, GA, Omni Training Solutions (OTS) brings a diverse talent pool of professionals in the fields of developing and providing individual, technical and specialized training and education. Our experience is linked from many years of corporate affiliation, military experience, and government contracting. Our specialties range from Infantry, Armor, Logistics, Intelligence, Information Technology, Knowledge Management, and Medical Services.

We have collaboratively trained U.S. and foreign government leaders and soldiers, as well as civilian employees toward the successful realization of autonomy and improved self-efficacy.
